

MELBOURNE VIC

SOLD. This school and office furniture and other metal products manufacturer supplies a diverse customer base including schools, universities, corporations and other institutions Australia-wide.

Products include but are not limited to student tables and chairs, filing cabinets, lockers, office desks, storage cupboards and conference room furniture.

The business also manufactures Scaffolding, irrigation boom arms, stadium seat metal work, metal work for apartment fitouts, and heavy tube cutting for various industries.

With highly flexible manufacturing capacity and low stock holding requirements, the business model is further strengthened by the quality of its customer base, which includes many public (Government) schools and institutions.

The two Directors are now seeking to retire. The positions the Directors currently fulfil are the Production Manager and the Sales & Administration Manager respectively.

Annual sales revenue \$2m+.
