

MELBOURNE VIC

SOLD. This longstanding customs broking business is for sale for the first time as the current owner seeks to retire.

With a stable, loyal client base and gross profit in excess of \$300,000 per annum, this is an ideal bolt-on acquisition for an existing customs broker or freight forwarder. Potential for cross-leveraging the existing client base with your existing portfolio of services to rapidly grow revenue and gross profit, particularly for a freight forwarder.

The brand name has very strong recognition within the market and is associated with excellence in customer service, longevity and assurance.

This would be a straightforward acquisition and the vendor is flexible with regard to sale terms in order to effectively manage a transition of the customer base and ownership.
