

Sydney

This iconic Australian design and manufacturing business, established in 1988, creates exceptional bespoke leather, stationery, and accessory products that tell powerful brand stories. Operating from its Sydney studio, it delivers premium corporate gifting and branded merchandise solutions to major government agencies, universities, hospitality leaders, and blue-chip corporates.

As a certified B Corporation that is also carbon neutral, the business champions sustainability through recycled and upcycled materials and inspiring collaborations with Indigenous artists and creatives.

With a proven hybrid local-and-international manufacturing model, diversified revenue streams, and a reputation for quality, craftsmanship, and meaningful design, this turnkey operation offers consistent margins and exciting growth potential in the premium gifting sector.

- ? Established over 35 years with an enviable premium brand reputation
- ? Strong, loyal corporate client base delivering consistent repeat high-value orders
- ? Certified B Corporation with outstanding ESG credentials and carbon-neutral status
