

Melbourne

This well-established commercial electrical contracting business, operating successfully since 1997, delivers reliable installations, maintenance and energy solutions to a highly diversified and stable customer base across government, commercial and property sectors.

Secured by multiple long-term multi-year contracts (including one major council agreement extended to 2029 and partnerships with commercial clients since 2008), the business generates strong recurring revenue with 13% growth in FY25 to \$3.05 million.

Supported by an experienced team of 12 that operates independently, it offers diversified income streams, proven systems and excellent scalability.

Key Points:

- ? Over 25 years established with outstanding reputation
- ? Highly diversified customer base across government, commercial and fitness sectors
- ? Multiple long-term contracts including council agreements to 2029
- ? Strong recurring revenue from maintenance and compliance services
