

## Melbourne

The Director is now looking to retire and seeking a strategic exit from their business after a successful 15 year trading history.

### Key points:

- ? Established for 15 years
- ? FY2025 Gross Profit \$1.52m
- ? FY2025 Sea Freight 2,526 TEU and 412m3 LCL
- ? FY2025 Air Freight 99,921kg

This is an outstanding opportunity for an existing freight forwarding business to acquire a new customer base and additional volume. With robust gross and net profit margins, current ownership has built up a strong business with two established business brands and an experienced operations team.

On completion of a confidentiality agreement and discussion, a comprehensive Information Memorandum can be provided.
