

Melbourne

This Business, established in 1993, is a leading distributor of safety equipment and supplies in Australia, providing a comprehensive range of high-demand products and services for occupational health and safety (OH&S) across various industries.

With a reputation built on decades of reliable service, the Business serves large multinational companies, hospitals, food manufacturing facilities, and more. The company offers locally sourced and internationally procured products, including spill control, customised workwear, and height safety training.

The business has strong supplier relationships, robust profitability, and established customer base make it a highly attractive acquisition for a new owner or complementary business.

Key Points:

- ? Established in 1993 with a strong history of profitability
- ? Comprehensive range of essential safety products
- ? Strong supplier relationships with direct agency access
- ? Opportunity to expand training packages and annual inspections
