

Melbourne

Focused on a small to medium size (SME) B2B customer base, with a fleet of high quality vehicles distinguished in the market by:

- ? Large fleet and range ranging from 1 Tonne Vans to 10 Pallet Trucks
- ? Quality of vehicles and equipment
- ? Range of 111 (as at March 2026*) new or near-new vehicles in the fleet with low kilometres
- ? Stringent maintenance regimes

The business can deliver vehicles to customers in all greater Melbourne metropolitan suburbs and offers temperature capabilities from freezer (-20 degrees) up to mild chilled (15 degrees), as well as Primesafe Licensed vehicles where required.

FY2025 Full Year Revenue: \$3.57m (+23% vs. FY2024 PY)

A business operating in this industry space, or complementary areas in rental, freight and transport can drive diversification and acquire a strong growth segment with an acquisition of this business. For sale by Expressions of Interest.
